The five (5) Proposers are listed in no particular order. RCTC is currently evaluating the Statements of Qualifications (SOQ) submitted by the respective Proposers based on the rating and scoring information outline in Section 4 of the RFQ. Upon Completion of the SOQ evaluation and scoring process, RCTC will notify each Proposer in writing whether or not it has gained pre-qualification status. RCTC will also publish the list of Proposers obtaining pre-qualification status on its design-build website: www.rctc.org/rfps.asp.

Please note, the foregoing listing of Proposer organizations is not all-inclusive and the final composition of the pre-qualified Design-Build teams that will be allowed to participate in the RFP procurement process will be determined by the respective Proposers.
