Date Issued: October 26, 2011

Addendum No.: 1

RFP Number: 12-31-012-00 (On-Call Right of Way Support Services)

Procurement Officer: Matt Wallace

INTENT

1. This addendum is intended to clarify a discrepancy regarding the time the pre-proposal conference will be held in support of the above-referenced RFP. The pre-proposal conference time listed in RFP Section 5.0 Procurement Schedule, 5.3 Pre-Proposal Conference indicating the meeting would take place on November 2, 2011 at **2:00 p.m.** is not correct. Please be advised that the November 2, 2011 **10:00 a.m.** time identified in the newspaper advertisement for a non-mandatory pre-proposal conference is correct and will be held as scheduled.

Clarification

**PRE-PROPOSAL CONFERENCE.** A non-mandatory pre-proposal conference will be held on **Wednesday, November 2, 2011 at 10:00a.m.** at the Commission headquarters located at 4080 Lemon St., Third Floor, Riverside, CA 92501.

2. The proposal deadline remains Tuesday, November 22, 2011 at 2:00 p.m.
3. All other terms and conditions of the RFP shall remain the same.
